## events, play, and discovery for the littlest residents and visitors

outer banks child is a free quarterly magazine providing articles, information and a calendar of events to families on the Outer Banks of North Carolina with children from birth to the age of twelve.

Each issue provides a comprehensive calendar of events for Dare and Currituck counties and beyond. In addition to interesting articles on good health, beach activities, crafts, and green living, each issue showcases a special insert - preschool guide (winter), summer camp guide (spring), party planning guide (summer), and "no batteries required" gift guide (fall).

Copies are strategically distributed where families are: grocery stores, preschools, libraries, doctors' offices, area attractions, retail stores, visitors centers, chamber of commerce, and more.
